

PG Diploma in Clinical Linguistics for SLP (PGDCLP)

P.G. Diploma in Clinical Linguistics for Speech-Language Pathology (Affiliated to University of Mysore)	
Duration of the course	1 Year (2 semesters)
Total number of Seats	12

Clinical linguistics is a branch of linguistics that deals with the application of linguistic principles to communication disabilities, especially in clinical settings. It involves inter-disciplinary study among various fields such as speech and language pathology, linguistics, clinical psychology and education. The programme aims at imparting knowledge regarding language development and its disorders. Primarily, the program will prepare the candidates to undertake inter-disciplinary research in the areas of speech, language and cognition. In addition, the programme will equip speech-language pathologists to enhance their already acquired knowledge regarding assessment, diagnosis and planning of intervention programs for children and adults with communication problems in the Indian context.

Admission Eligibility

- Candidates with a degree in B.Sc. (Speech & Hearing) / BASLP / B.ASLP from an institution that is recognised by RCI and considered as equivalent thereto with an average of not less than 50% of marks are eligible for admission.

[**Note:** 'Average' refers to the average of the aggregate marks of all the years/semesters of B.Sc. (Speech & Hearing) / BASLP / B.ASLP programme].

Mode of Selection

- Candidates meeting the eligibility requirements shall be listed in order of merit which is decided based on the marks in the qualifying examination.
- The admissions shall be in accordance with the merit-cum-reservation policy of the Central Government. Selection is all India based.
- Candidates with clinical experience in the field of communication disorders will be given preference.
- Candidates who are short-listed based on the merit-cum-reservation will undergo an interview.
