Submitted to the President AIISH Gymkhana, Mysore:

Sub: Revision of Day care service application form-reg

With reference to the above, your kind approval is sought to revise the AIISH Day care service application form. It is proposed to edit the content with focus on the details that the day care staff should know, related to the child's safety, health, habits and preferences, and to add a section related to payment of fees and office approval for admission at the end of the current application form. The revision is proposed to fasten the day care application, payment verification and admission thereby improving the process efficiency.

If approved, the revised application form will be uploaded in the website for future use. This is placed for your kind approval and suggestions.
